depending on how slow the US Post Office is.**

The Free Return Shipping Deal (less insurance)

We will give free return shipping on orders that have \$101.00 or more of sharpened items to the lower 48 states only. This includes blades and shears only, **NOT THE INVOICE TOTAL**. Does not include any parts, equipment sales, or clipper repair, just sharpened items only. Price of return shipping for orders UNDER \$101.00 in sharpened items is a flat rate of \$11.00 to lower 48 states. If your total of sharpened items is \$100, that's under \$101.00, add another piece of equipment. Please don't call asking for free shipping since you're only a dollar short, that isn't the deal. This will continue until the Post Office discontinues using regional and/or flat rate shipping boxes.

NOTE: We won't pay free return shipping on the "Davis" box or "Davis-Like" boxes, no matter if your sharpening total is \$101.00. The postage to ship this box is outrageous for both of us.

IMPORTANT

I travel to Florida for the entire FIRST FULL WEEK of each month for mobile sharpening. So please don't send your blades to me at the end of the month because they may not get sharpened until I get back to the shop on the second week of the month. For best turn around time, ship your items at the end of the first full week so they arrive at the beginning of the second full week. You can check the calendar on this website for any changes.

Fill out and send the Mail in Sheet above with your blades. You can use the back of the mail in sheet for any extra instructions.

There is a shipping label below, cut out and tape to box.

Below is a table of current insurance rates (2019) This can change anytime.

Amount of Insurance Requested	Cost
\$100	\$2.75
\$200	\$3.50
\$300	\$4.60
\$400	\$5.80
\$500	\$7.00
\$600	\$9.45
\$700	\$10.75
\$800	\$12.05
\$900	\$13.35
\$1000	\$14.65
\$1500	\$21.15
\$2000	\$27.65

To save money you may want to use one of the Flat Rate[®] boxes the Post Office offers that has a flat rate to any domestic state no matter how much it weighs. There are also "Regional" boxes; the postage is very cheap compared to regular box mail. This is our choice to mail back to you with. **SAVE THE BOX!**

****DO NOT USE A SMALL FLAT RATE BOX, IT WILL BURST OPEN IF**

DROPPED OR THROWN BECAUSE THE CARDBOARD IS VERY THIN.**

"USPS Tracking" is on the box. It tracks the box and you can track it online at [USPS.com](https://www.usps.com).

Keep your receipt, your tracking number is on it. Don't call us and ask if your box arrived here.
